FOR IMMEDIATE RELEASE

Mac Beam, Inc. forges new relationship with TechGenii to lead Mac Beam's Business Development Efforts

LOS ANGELES, Calif., September 21, 2009 — Mac Beam, Inc., a California Healthcare Corporation, the leader in Low Level Laser Therapy (LLLT) has hired **TechGenii** to be the business development liaison with city government and other corporate clients to expand their United States business.

According to Bickham, “We are excited to be working with a company that has such cutting edge technology in the alternative medicine space. We look forward to expanding their client base here in the US.”

Mac Beam's flagship patent-pending laser product introducing the BIOENELOGEN (BELG) Method, using BIO-ENERGY is a scientific breakthrough. Their MB Laser Systems are painless, non invasive, non toxic and have helped thousands of patients worldwide. The company has created 21 Laser Treatment Systems that can help in many aspects of medicine including: Chiropractic Medicine, Dental Medicine, Immune System Treatments, Pain Management, Internal Medicine, Mental Health Medicine, Chemical/Substance Dependent Detoxification & Mood Disorders, Neurology, Ophthalmology, Pediatric Medicine, Podiatric Medicine, Sports Medicine, Physical Rehab Medicine, Ulcer/Tissue Injuries Medicine, Sexual Dysfunction and much more.

The company's laser systems are FDA Approved, have a 2-year warranty, come with training and CME credits and certification and have the required billing codes for payments from Workman's Compensation, Medicare, Private Insurance and Personal Injury.

“We look forward to working with TechGenii and the **LA MBOC** in **Mayor Antonio Villaraigosa's** Office to enhance our business development activities and increase our exposure to more corporate and government clients.” said Jenny Ta, President & COO, Mac Beam, Inc.

About Mac Beam, Inc.
